Mission Statement

Our mission at Knob Hill Elementary is to provide an excellent education for ALL students through an unrelenting focus on rigorous learning; failure is not an option.

Vision Statement

Knob Hill is a safe community where students are loved, nurtured, and supported. Our vision is to ensure all students who enter become academically proficient, confident, and motivated life-long learners. All students will have equal access to rigorous content that is engaging, innovative, and student centered.

Principal's Message

Knob Hill Elementary provides a quality education for our nearly 870 students. Student performance has continued to improve in annual standardized testing. We are currently in our sixth year of implementation of the Common Core State Standards.

In addition to the outstanding teaching and learning, Knob Hill Elementary prides itself on the character of our students and the climate of our school. Our positive behavior focus includes three rules, Be Safe, Be Respectful, Be Responsible. We welcome our families and community partners to our school and encourage volunteers.

Major Achievements

- California Distinguished School in 2002 and 2008.
- "National Blue Ribbon" School in 2003.
- Title I Achievement Award in 2005, 2008, 2009, and 2012.
- California Business for Education Excellence Award in 2005, 2006, 2009, 2017, and 2018.

Focus for Improvement

- Focus on providing differentiated instruction in order for each student to experience new learning each day.
- Focus attention on reading comprehension through direct instruction and reading incentive programs.
- Analyze student data to create better learning opportunities, and identify students needing reading intervention.
- Continue implementation of Common Core State Standards.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Reading Writing Listening and Speaking

Students receive a standards-based curriculum designed to “help build creativity and innovation, critical thinking and problem solving, collaboration, and communication fulfilling California’s vision that all students graduate from our public-school system as lifelong learners and have the skills and knowledge necessary to be ready to assume their position in our global economy.” ELA CCSS

Students use a variety of instructional materials in ELA to meet these instructional goals.

English Language Development (ELD)

English Learner students engage in daily ELD lessons. These lessons provide EL’s challenging English language development to gain proficiency in a range of rigorous academic skills. ELD CCSS

ELA/ELD Supplemental Instructional Materials

K-5 Benchmark Universe, Benchmark Steps to Advance digital library, E-Books, ePocket Chart, Videos, iReady Learning/Reading Rosetta Stone

Math:

Students receive standards-based curriculum designed to provide instruction that focuses on “concepts that are emphasized in the standards so that students can gain strong foundational conceptual understanding, a high degree of procedural skill and fluency, and the ability to apply the mathematics they know to solve problems inside and outside the mathematics classroom.” Math CCSS

Students use a variety of instructional materials in math to meet these instructional goals.

- Mathematics Supplemental Instructional Materials
- Ready Mathematics Classroom iReady/ Math Learning
- K-5 Math Investigations Kit, 2012 Pearson
- K-5 Math Manipulatives, Nasco, Lakeshore, Good Stuff suppliers
- K-5 Teaching Student Centered Math Teacher
- K-5 Math Journals
- K-5 Math iReady workbook, Curriculum Associates
- Math San Francisco Unified School District (online)
- Dream Box personalized digital program (TK)

Science:

The district has adopted the Scott Foresman California Science program for Kindergarten through fifth grade. This program is used as a resource for teaching the California science content standards. Emphasis is on physical, life, and earth science, with investigation and experimentation a central focus of instruction. Integration of NGSS grade level standards occur through Benchmark Advance ELA-ELD core curriculum, Mystery Science and Virtual STEAM Innovation . District is in the building awareness phase of NGSS Standards.

Social Studies:

The district has adopted California Reflections published by Harcourt as a resource for teaching the California content standards in history-social science. The curriculum content at each grade level focuses on chronology, research evidence, point of view, and historical interpretation. Integration of Social Studies grade level standards occur through Benchmark Advance ELA-ELD core curriculum.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions and Planned Improvements

Knob Hill Elementary School opened in 1988, and we are near its maximum student capacity. Our school includes 11 buildings, of which six are portables. Knob Hill Elementary School has 39 classrooms, including 19 relocatables, a multipurpose room, a library, and an administration building. Together they accommodate approximately 870 students. Knob Hill Elementary has been updated technologically and has Internet connectivity in each classroom. Our cafeteria/multipurpose room serves as many as 500 hot lunches daily and doubles as our assembly room. We allocate one building to the school's on-site daycare program to serve our families before and after school and one to a state-run preschool.

The physical quality of our school buildings influences learning and teaching. All students and faculty have a reasonable amount of classroom and open space.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	57	N/A	52	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

State Priority: Parental Involvement

Contact Person: Nicole Orsini, PTO President

Phone Number: (760) 290-2080 ext. 2091

Members of our School Improvement Council help plan and approve our School Safety Plan and School Plan for Student Achievement, after review and input by all staff and parents. Parents are also on the English Language Learner Advisory Committee, which meets four times during the school year. A core of volunteers and the PTO (Parent Teacher Organization) executive board members provide daily support in classrooms and the office and oversee the implementation of the various fundraising activities.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The comprehensive Safe School Plan was approved on October 7, 2019 and reviewed with staff November 12, 2020

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lock down procedures. A copy of the plan is available for inspection by the public at each school.

Teachers and playground supervisors monitor students outside the classrooms. Staff monitors the playgrounds before school and during recesses. We also hold monthly drills including fire, disaster, earthquake, and intruder alerts.

Posters in all classrooms remind students to use nonviolent means to solve problems and to remember our monthly character themes, the "Hawk Way." Students in our Peace Patrol help resolve conflicts on the playground. Teachers work with individual students on behavior issues by providing individual behavior contracts as needed.

Expulsions			

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.

San Marcos Unified School District's Mission Statement includes these commitments:

- "hiring and retaining only the best educators and investing in their success."
- "providing quality education based on high standards, effective practices, continuous improvement, and innovation."

Every new teacher in our district engages in a rigorous 2 year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well.

Our elementary level focused professional learning on the continued implementation of state academic standards in English language Arts (ELA), English language development (ELD) and mathematics. Our district ELA/ELD leadership team received training in Tier I literacy and ELD grounded in formative, summative assessments, and differentiated instruction. Our teachers have received training in our new math core curriculum Read Classroom Mathematics/iReady Teacher grade level leaders received support to deepen their understanding of effective Professional Learning Communities (PLC).

Various means of professional learning were offered: face-to-face workshops during the regular work day, during school breaks, after school as well as online sessions available for staff. Principals and ELA/ELD and math teacher leaders provided staff development during regularly scheduled staff meeting throughout the year. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.

Teachers continued to engage in professional development each week as they worked collaboratively during their structured teacher collaboration time (early release Wednesdays for elementary/middle school staff and late start Tuesdays for high school staff). This provided teachers the opportunity to share best practices to meet students' needs. Teachers on Special Assignment (TOSAs) provided professional development and worked with teachers in their classrooms modeling strategies, planning collaboratively, and providing support.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
